**About GR City Points**  
myGRcitypoints.com links individuals, organizations and businesses with our City government to encourage recycling, volunteering and community building. This first-of-its-kind, local rewards program allows participants to earn points simply by recycling or volunteering. The points can be redeemed at local businesses for discounts on products and services.

## TRACKING REWARDS

Each reward is individually trackable by:

- User Name
- Serial Number
- QR Code
- Barcode (if applicable)

Each time a customer presents a coupon, simply use the **Printable Tracking Worksheet** to verify the claim.

You can access the Printable Tracking Worksheet at any time from your business' mygrcitypoints profile page:

- Click "View Reward Details"
- Then click "Printable Tracking Worksheet"

The Printable Tracking Worksheet includes the serial numbers of all redeemed rewards, as well as names and email addresses of the recipients.
